SPECIAL OFFER OF SHAFFER'S ANTHURIUM SEEDLINGS.

We are closing out a fine selection of our 3 year old anthurium seedlings to make room for other stock.

These seedlings are from the finest stud stock in the United States. They are not "culls", but the same stock now selling in blooming size at \$2.50 each. Plants are in bud, some now blooming, and should bloom within six months. They are 12 to 16 inches high, in 4 inch pots. We cannot select colors at this low price. Plants will be shipped bare root.

We recommend shipment by Rail Express west of the Mississippi, and by Air Freight east of the Mississippi. Shipping charges collect---no packing charge. Please send cash with order or we will ship C. O. D.

SPECIAL PRICES FOR THIS CLEARANCE:--

10 to 50 plants, \$1.50 each.

Over 50 plants, \$1.25 each.

Minimum order 10 plants. All stock subject to prior sale.
